

ALT's 2026 - 2027 Season

Welcome to Our 72nd Season!

Ardmore Little Theater is proud to present our 72nd consecutive season of live theater, continuing a legacy that began in 1955. We can't wait to welcome you for a brand-new season of unforgettable performances.

This year's lineup offers something for everyone—from whimsical family fun to powerful drama and musical theater: *The Play that Goes Wrong*, *Murder on the Orient Express*, *The Producers*, and *Pride & Prejudice*.

We've gone fully digital! All tickets are managed online through our new ticketing platform. This means:

- No more waiting on mailed season tickets—everything will be sent to you digitally.
- It's faster, easier, and more flexible than ever to plan your theater nights.

Prefer to reserve by phone? Just give our office a call!

A Season Ticket Package still offers incredible value—save up to 25% off regular ticket prices—and gives you the freedom to use your tickets however you like within the season. See all four shows yourself, bring friends along, or share your tickets with loved ones.

Season ticket holders also enjoy the privilege to vote at our Annual Meeting in June. It's the best way to support local theater and guarantee your spot at every show.

Experience the joy, the drama, the music—live on stage. Join us for another amazing year at Ardmore Little Theater!
